EXCLUSIVE PRIVATE ISLAND

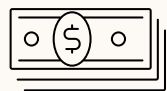

COROZAL DISTRICT, BELIZE

A rare and exceptional chance to own a pristine private island, a true hidden gem surrounded by crystal-clear waters, offering a sense of escape and a feeling beyond the ordinary.

With no pre-existing construction, this island offers a unique opportunity for buyers to bring their vision to life and to have the freedom to design and build according to their needs. The island ensures effortless access and privacy with a dedicated helipad for seamless arrivals and departures, and a well-designed docking facility to accommodate a yacht.

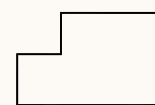

The island's value is further enhanced by the upcoming development of an ultra-luxury branded resort nearby, featuring an 80-key boutique hotel offering world-class hospitality and 40 exclusive branded villas. Completion is set in the next three years, transforming the area into a premier luxury destination. This high-end development is set to attract elite travelers and investors, making the potential for significant land appreciation even more compelling.
